The Future of Adult and Career Education in Los Angeles: A Personal Plea

A video made by the students and teachers of Adult and Career Education as they face the greatest assault on DACE Programs in recent history. Superintendent Deasy has sent a budget to the LA County Office of Education recommending the elimination of Adult, Career Technical and ROC/P programs in Los Angeles. The following personal plea argues the facts and statistics, as compiled by real teachers, administrators and UTLA members, IN FAVOR OF CONTINUING Adult Ed in southern California.

isit oossible **OU**haveto close those adult education programs? if Adult and Career Education is ELIMINATED
